

2021 Parent Information Packet

Camp Pillsbury
315 S. Grove Ave
Owatonna, Minnesota 55060
507-214-2200 (Office)
727-415-4631 (Mobile)

Dear Parents,

Welcome to Camp Pillsbury! This letter details information to help you and your camper(s) get ready for camp.

Camp is an experience that cannot be duplicated in any other environment. Camp Pillsbury's goal is to provide a safe, fun, nurturing environment and to provide activities that will increase your child's confidence and abilities. Countless hours throughout the year have gone into preparing, evaluating, and amplifying our programs in order to better serve the needs of our camper population. We feel you have made the right choice in sending your child to our camp and with your help, we are well prepared to serve their needs.

Campers will thrive while building on existing interests and developing new ones. They flourish and excel in the areas they become passionate about and their self-confidence soars. They become better singers, dancers, actors, athletes, artists, musicians and even students. We guarantee they will love camp so much they'll ask to stay all year - and they can.

All of your family's registration information is currently available online. You can access it by going to <https://camppillsbury.campmanagement.com/p/campers> and logging into your account. If you have already attended camp, or have already created a camper account - please do NOT create a new user profile. If you do not remember your username or password, first try to reset your password. If you still need assistance, please send an email to camppillsbury@gmail.com, provide the campers full name and date of birth and what you would like the password to be reset to. Please remember that all passwords must contain at least one capital letter and one number.

If you have any questions or concerns leading up to the summer please email us at CampPillsbury@gmail.com

Yours Sincerely,

Vonda

Vonda White
Camp Owner

FORMS:

Once enrolled, all campers must complete the camper forms located in your parent portal under the "FORMS" tab. **All forms must be completed within a week of starting camp.** All Forms must be completed each year by all campers. The forms are listed in sections as follows:

Section 1: Web Forms required – These online forms must be completed prior to camp arrival.

Section 2: Important Info – This section is full of information you will need for camp.

Section 3: Other Forms – End of camp evaluation web form. Do not complete until camp is over.

Section 4: Medical Forms for 2021 - All Medical forms are online forms and must be completed prior to camp arrival. Camp Pillsbury cannot input any medical information on behalf of your child (this includes immunization information). This must be completed by a parent or legal guardian.

The state of Minnesota requires that shall have a physical examination performed not more than 90 days prior to admission to the camp by a duly licensed practitioner of the healing arts and shall be signed by such practitioner. It shall include a health history, an immunization record, a statement as to the existence of or freedom from communicable diseases, and instructions relative to the limitation of the camper's participation in camp activities necessitated by physical disability or impairment. You may find a form to be completed by the physician on your parent portal under the forms tab. Login, click on forms, scroll to the bottom of the page under "medical", click on "camper health care form", click on "download the camper health care form". You can then print the form, fill it out, take it to your physician for signature and remit it to Camp Pillsbury. To remit the form, follow all of the steps listed above, except for the last page, instead of choosing "download camper health care form", click on the box "choose file". Once you locate the completed form on your device, choose "submit form".

Covid19 – Safer Together

Before sending your child to Camp Pillsbury, we want to make sure you understand that in light of the current medical, legal and economic conditions resulting from the COVID 19 pandemic, and recognizing that these conditions are subject to abrupt change at any time, you are sending your child to camp under the following conditions.

While we wish that we could control every possible risk, and while we will use our best efforts to keep your child safe from the COVID 19 virus, we want to make clear that we cannot promise or guarantee that this or any other pathogen will not enter camp, and that by the very nature of the personal interaction that takes place in the camp environment, there is always a risk of your child becoming ill with this or any other communicable disease. We want you to be fully aware of this risk in making the decision to send your child to camp this summer, and that you are willing to assume and accept it on your child's behalf.

Our efforts to keep your child safe include minimizing contact with anyone outside of the camp community. Although we understand the importance of traditional performance day to you and your child, the safety of our camp community must come first. Unfortunately Parent Performance Day will

Camp Pillsbury

315 South Grove Avenue Owatonna MN 55060
507-214-2200 info@CampPillsbury.com

CampPillsbury.com

not be possible this summer. Campers can perform and we will broadcast performances via Facebook Live.

Because we want to do everything to keep camp operating in a safe manner, if your child is exhibiting symptoms of or tests positive for COVID 19 or other communicable disease, they may be quarantined as recommended by medical staff. Depending upon the medical advice we receive, your child may be allowed to remain at camp while under quarantine, or you may be required to make immediate arrangements to pick up your child. We understand the hardship this could present, but we want to do all we can to assure the safety of both your child and the rest of the camp population.

As part of our efforts to provide a safe environment, campers will not be permitted to leave camp for any reason except for waterfront activities or emergencies.

We have been doing all we can to open camp for the 2020 season. As in any year, much of the cost to prepare and operate a camp is incurred prior to the camp season. For this reason, if camp closes before the scheduled last day, whether by government order or by a decision of the directors that doing so is in the best interests of campers and staff, we cannot provide refunds of any payment, but we can apply the payment to the summer of 2021.

Coronavirus Protocol

We continue to review our processes for ensuring that our entire community is as safe and healthy as possible. We're redoubling an effort we began last summer to disinfect dorms, common areas, activity areas, kitchen, and dining hall. As always, the safety and health of everyone in our camp community is our top priority.

During the past few months, we have been carefully following the development of the coronavirus. We have been working closely with or following the directives of the Center for Disease Control (CDC) offices, the American Camp Association (ACA) both nationally and locally, Minnesota State Department of Health.

Our first priority is obviously prevention - anticipating and avoiding areas of exposure. It is imperative that we are prepared in the case of an outbreak of the coronavirus or any Influenza Like Illness (ILI). The following information is meant to provide you with a framework for our protocols of preparedness, prevention and treatment. It is also important to understand that we expect our protocol and policies to continue to evolve (just as they have in the past several weeks) as we receive updates.

General Information

According to the CDC, the symptoms of coronavirus usually include fever plus at least either cough or sore throat, often referred to as "Influenza Like Illness" (ILI). (Red rash on feet, hands, lips of any kind for kids.) At this time, CDC recommends the primary means to reduce the spread of this

Camp Pillsbury

-5-

315 South Grove Avenue Owatonna MN 55060
507-214-2200 info@CampPillsbury.com

CampPillsbury.com

disease in camps is to focus on early identification of ill campers or staff, isolation when ill, good cough and hand hygiene etiquette, including hand washing and environmental controls that encourage use of these hygienic practices.

Parent Responsibility Before Camp

1. Before opening day, we will work with parents to self-screen campers to ensure that everyone arriving at Camp Pillsbury is healthy.
2. In the 14 days prior to your child's departure for camp, it is important that you take your child's temperature EACH DAY and monitor for cough or sore throat. Other symptoms may include headache, tiredness, runny or stuffy nose, body aches, diarrhea and vomiting. **The Coronavirus 14 Day Check Form that is listed on your parent portal must be completed 24 hours prior to coming to camp.**
3. If your child registers a temperature 100 degrees F or higher, along with a cough or sore throat within 14 days prior to coming to camp, it is your responsibility to contact us immediately.
4. Any child registering a fever along with cough or sore throat in any of the 14 days prior to their anticipated departure for camp, may potentially have coronavirus or an ILI virus and must remain at home and cannot depart for camp as scheduled. A discussion with the Directors will determine when they are able to come to camp.
5. Parents will submit a pre-camp health screening form.
6. Campers must live in a home environment that has been free of COVID-19 for over two weeks and be medically cleared to attend.
7. We will add screening criteria based on the latest information and best practices at a future date.
8. We will have a staggered and scheduled arrival time and new check-in system. As opening day approaches, we will continue to modify and improve our camper check-in process to best guarantee a virus-free community.

Arrival Corona Virus Protocols

1. All staff will be screened upon arrival at camp or at pick up locations. If fever is detected, they will be quarantined.
2. Our staff will arrive prior to camp opening, providing time for a full quarantine if necessary. Health, hygiene, hand-washing, and camp cleanliness will continue to be part an essential part of staff training.
3. Campers will be screened at drop off for fever. If fever is detected, they will not be asked to reschedule their camp stay.
4. Immediately upon arrival at camp, all campers will process through our medical staff for a brief health history, temperature check and a lice head check.

The camp's administrative team, in conjunction with healthcare professionals, and working with the Minnesota health department determines what immunizations associated with communicable disease control are needed by campers and staff in order to attend the camp. This determination is based on

recommended practices and is sensitive to the health profile of the population that attends the camp.

Eliminating Parent Performance Day – At this juncture we will not be having any visitation during the summer of 2020. According to the World Health Organization, healthy children are less susceptible to the virus. Older adults, especially those with underlying health issues, or anyone with a chronic illness is more susceptible. For 2020 we will eliminate Parent Performance Day and campers will be dropped off in the parking lot.

Camp Protocols and Treatment Protocols

1. Sanitizers/ hand washing stations have been placed throughout camp, including but not limited to, food service locations & bathrooms.
2. Reminders and instruction on safe coughing practices and appropriate hand washing procedures will be incorporated into the daily life and culture of camp.
3. Housekeeping will bleach and disinfect all bathrooms & high contact areas including door handles, flat surfaces, & sinks and toilets throughout the day.
4. Anyone experiencing virus-like symptoms will be immediately separated from camp population and the children's parents will be notified.
5. Children with low level symptoms will be removed from program so that they can rest and prevent further illness.
6. Campers who might be high risk because of underlying illness will be observed daily for any changes in their health. Parents may decide to enroll next year versus this summer.
7. Self-service food will be eliminated. All food will be distributed via wait staff wearing masks, protective gloves & aprons.
8. During pre-camp staff training, staff members will be trained on the specifics of communicable disease prevention, including specific information on how to recognize coronavirus or other Influenza Like Illness (ILI).
9. The parents of any camper with coronavirus or ILI will be contacted, and may be asked to bring their child home for treatment.
10. All children will come to camp with a shower caddy for their toiletries and will keep them in their cubby, away from each other, once they are finished using them. There will be no sharing.
11. Please bring 2 sets of sheets and extra towels.
12. We will designate dorm space to be used for isolating staff or children who are ill.

Conclusion

Our success in keeping the coronavirus from entering camp begins with your diligence and assessment of your child's health in the 2 weeks prior to their departure. We cannot think of anything more disappointing than having to tell your child that their departure for camp has to be delayed until they and their family members have been completely healthy for 14 days. We are counting on you to help us in this first line of defense. Clearly if your child is ill, the place they will be most comfortable is in your care and in their own home.

Camp Pillsbury

315 South Grove Avenue Owatonna MN 55060
507-214-2200 info@CampPillsbury.com

CampPillsbury.com

We will continue to monitor the virus, our community, and all that we do in and out of camp as we get to the summer and the summer progresses, and will update you promptly with any necessary information.

It is our hope that with heightened and diligent hygienic practices and a camp-wide awareness of communicable disease detection and prevention, we can avoid any exposure and enjoy a healthy and happy summer.

Transportation

IF YOU ARE DRIVING TO CAMP

Enter campus off E. Main Street. Please use this address in your GPS: 379 E. Main Street, Owatonna, MN 55060

ARRIVALS:

- **Overnight Camper Arrivals:**
Session 1 (June 13), Session 2 (June 20), Session 3 (July 11), Session 4 (August 1), Session 5 (August 22)
Please plan to arrive between 3pm & 5pm. Please do not arrive prior to 3:00.
- **Monday –Friday Full Day Campers:**
Plan to arrive between 9:15am – 9:30am. Lunch will be provided. Please be sure your camper has breakfast before they arrive. Check in at Dining Hall, address:
350 Academy Street

DEPARTURES:

- **Overnight Campers Departures:**
Session 1 (June 20), Session 2 (July 11), Session 3 (August 1), Session 4 (August 22), Session 5 (August 29)
- **Monday –Friday Full Day Campers:** 5:30 pm. Pick up at dining hall. Address: 350 Academy Street

Parents are welcome and encouraged to sign out and pick up their camper on Performance Day (The day before departure day). Campers can depart after Lunch (about 2pm). All campers luggage will be packed and ready to be picked up upon your arrival. Luggage can be taken to your car or stored until you are ready to depart.

IF YOU ARE FLYING TO CAMP:

Our staff will meet each camper at baggage claim (campers flying as registered unaccompanied minors with the airlines will be met at their gate). Our staff member will be holding a camp sign, wearing a camp shirt, and carrying identification. International campers will be met as they exit customs and immigration. Campers flying home are helped to check in at the airport and are accompanied as far as non-ticketed passengers may go. Our counselors always wait in the airport until the aircraft departs. Please note while booking flights we prefer that flights do not arrive or depart after 9:00 p.m. Passports/airline tickets must be given to the office for safekeeping upon arrival in camp.

Camp Pillsbury

-8-

315 South Grove Avenue Owatonna MN 55060
507-214-2200 info@CampPillsbury.com

CampPillsbury.com

Transportation is provided free of charge to and from the Minneapolis-St. Paul International Airport. If your camp session begins on a Sunday, you should plan to arrive in Minneapolis Sunday after 4:00 pm. Departures from camp should be scheduled on Sunday after 5:00 pm if possible. If this is not possible, please arrange Monday morning flights. (Email the camp if these arrangements cannot be met – camp-pillsbury@gmail.com).

Adventure Days

If your overnight camper is enrolled and at camp on the dates listed below, your camper will be participating in Pillsbury Adventure Day. These are a few special event days during the session that we take campers off site for a full day of fun, either to the Mall of America, Valley Fair, an outdoor amusement park, a Broadway show (in Minneapolis), Pre-season Vikings game, Minnesota Twins game, etc. There is no additional cost to participate in Pillsbury Adventure Day. Camp Pillsbury will cover the cost of admission and transportation expenses. If you have any questions, please email us at camp-pillsbury@gmail.com.

Spending Money

Overnight campers may need spending money while at camp for things such as snacks at camp, snacks at the waterpark or movie theater, money for shopping and for adventure days. Spending Money will be held in their camper account and will be handed to campers right before their trip. Campers must fill out a request form for whatever cash they want. Campers can bring cash, but will be held in an envelope in the camp safe. For security purposes, campers will not be allowed to keep money in their rooms. A camp store (canteen) is available where campers can purchase drinks, chips, candy, etc. during the evening. Camp does provide canteen nightly, but some campers may want additional snacks, drinks, etc. Money not spent by the camper will be refunded during checkout. Day Campers do not need any spending money.

Performance Days

Performance Day is a full day of shows and exhibitions put on by the campers. The specific schedule will be announced and emailed to each family prior to each performance day. Feel free to spend the day, picnic, hang out and see the performances your camper has worked so hard to present. Performance Days begin at 10:00 am and last throughout the day.

Performance Days for 2021:

2 nd Session	Saturday, June 10	10:00 am
3 rd Session	Saturday, July 31	10:00 am
4 th Session	Saturday, August 21	10:00 am

All (overnight and day) campers are eligible to participate in Performances as long as they are registered for the entire session. while dropping off or picking up your child(ren), listed below are

suggestions of hotels near campus. Should you need hotel accommodations while dropping off or picking up your child(ren), listed below are suggestions of hotels near campus.

Homesickness

If your child exhibits concern about going to camp, encourage him or her to talk to you about it. Often specific answers are not necessary after they have had the opportunity to express themselves to a receptive, understanding ear. Your child may be worried about the unknown and is looking for your understanding. It is helpful to tell your child that such concerns are normal and that many other campers feel the same way. If your child has specific worries about bunkmates, food, etc. let him or her call or email the camp office.

Homesickness is a phenomenon that can happen. We are committed to helping each and every child have a successful experience during their stay with us. One of the most important keys to conquering homesickness is the team approach between parents and the camp. Being on the same page is crucial. Please do not commit to your child that you will pick them up without our input. This takes most of our ability of conquering the homesickness away from us. This may not be easy as children can be very convincing and hit on all your soft spots. Please call us so we can work together to guide your child through this situation. Also, please be aware that most campers become homesick when they speak with their parents. A daily phone call or even frequent phone calls between parents and campers is not recommended.

When seeing your child off at camp, make your parting is brief and pleasant. Long good-byes and floods of tears are upsetting. The longer you stay, the more difficult it may become for your child as well as yourself to say goodbye. If you are arriving on a Sunday at the beginning of a session, you will be allowed to assist your camper with unpacking their belongings if you choose. Otherwise,

Camp Pillsbury

-10-

315 South Grove Avenue Owatonna MN 55060
507-214-2200 info@CampPillsbury.com

CampPillsbury.com

please be prepared for your child to be promptly whisked off into the program. Counselors will help unpack your camper's belongings and help get them settled in at Rest Hour. Campers only are allowed in activity hours. This applies to Day Campers as well.

Injury/Sickness Policy

Camp Pillsbury's activities are set in a fun, safe and nurturing environment. All measures are taken to ensure the safety of our campers. From time to time, some campers may incur a minor injury or become ill. Camp Pillsbury will notify parents of any minor incidences via email. Telephone contact will be made upon medical emergencies.

Medications

Please do not send over the counter medications to camp as it clutters up the infirmary and makes more drugs for the medical staff to track. This does not include Vitamins. This pertains to drugs such as pain killers, anti-inflammatories, decongestants etc. We have a large selection of over the counter medications that will be dispensed when deemed necessary.

All medications must be handed in at check in and will not be allowed to be kept in the dorm rooms. Exceptions to this rule: a limited amount of medication for life threatening conditions carried by camper (i.e. inhaler or epi-pen). Staff will distribute medications as instructed on the medication bottle. All medications need to be in the original bottle/packet with the correct instructions on the label. Please put all bottles/packets in a clear plastic bag with the campers name on the bag. Please make sure there is enough medication for the entire time your child is in camp. It can be difficult for us to refill prescriptions. Campers and staff are not allowed any medications in their living areas including over the counter medications. Our medical staff manage and dispense all medications, according to the instructions printed on the bottle.

After Hours Emergency Number

Our camp office is open from 9am to 9pm Central Standard Time (CST) every day. Staff will do their best to answer the phone during those hours and all messages will be delivered to the campers at meal times. Messages left on the answering machine after hours will be delivered at breakfast the following day.

In an emergency your message will be dealt with immediately.

Our Emergency, after hours number will ring on the Directors phone. Appropriate use of this number would be appreciated. Homesickness is not an emergency.

For first time camp parents please understand that many campers like to call home in the evening up until their curfew which can be quite late. Please don't be alarmed by this or consider them calling at

Camp Pillsbury

-11-

315 South Grove Avenue Owatonna MN 55060
507-214-2200 info@CampPillsbury.com

CampPillsbury.com

this time an emergency. During the school year this would be of concern but at camp it is normal. Please do not call the emergency line if your child calls you in the evening and hangs up because you do not answer. If there is an actual emergency involving your child you will be notified. Thank you for your complete understanding.

727-415-4631
Emergencies Only

Refund Policy

As our registration agreement states and you agreed to when you signed up, we will refund you, minus the non-refundable deposit fee until April 1st. After April 1st there are no refunds. We are very firm on this policy and wish to avoid any uncomfortable situations by reminding you of this. This includes canceling camp for summer school. Certain camping industry deadlines have been met and there are no refunds to us from our suppliers and vendors. We respectfully ask that you do not ask for any refunds or credits.

Campers Leaving Campus

If you would like your child to leave camp with another family we must have written permission from you on file. THERE ARE NO EXCEPTIONS. If there is a custody issue or there are family members who are not allowed to visit or call, please let us know via email at camp-pillsbury@gmail.com.

Visiting Policy

Campers are participating in fun, enriching programs from the time they wake, until curfew. Parents wishing to visit at any other times must call ahead and obtain permission. Campers will be brought to parents or guardians when they arrive and you will be able to take your camper offsite for a visit. For the safety of our campers, site tours or visitations are not available while camp is in session. Having parents on campus other than Performance Day causes homesickness in other campers and starts an epidemic of children wanting their parents. If you would like to take a tour of our facility during the "off season", please contact us and we can set up a tour.. In order to take your child off campus, you must sign out at the office. Similarly, when arriving back in camp you must sign in and inform his or her counselor. Campers must be back by their curfew.

Pet Policy

The following rules must be respected when visiting Camp Pillsbury: **ABSOLUTELY NO PETS**. (This includes handbag dogs). For the safety and welfare of all of our campers, due to pet allergies, if you bring a pet to campus, we will ask that you leave your pet in the car. This includes performance day.

Smoking Policy

At Camp Pillsbury we are dedicated to keeping our camp a positive, safe and healthy place for everybody. Smoking, possession of, or in the presence of, or use of tobacco/narcotics/liquor/vaping products or other intoxicant or non-prescription drug on/off the camp grounds is expressly forbidden. Violations of these rules or other reasonable regulations will result in dismissal from camp without tuition reimbursement. If illegal drugs are involved, we will get the police involved. Please discuss our policy with your child before camp and make sure that they clearly understand the consequences for violating this policy. In addition we request that all parents help their children pack for camp and check their bags before they leave the house. Campers who violate this policy will be sent home immediately. In the case of an international camper, they will be taken to the Airport to await the next flight home at the parents expense. Please respect this policy, the consequences, and that each violator will be removed from our community for not following rules and that NO TUITION REIMBURSEMENT will be given. Thank you for helping us enforce this policy.

Roommate Requests

Roommate requests should be made on your parent portal within 1 week of arriving at camp. Room assignment requests made within 1 week of arrival to camp will more than likely not be granted. Please understand that we will make every effort to accommodate your request.

Tipping Policy

Many parents ask us about tipping staff on performance/visiting days and what is appropriate. The recommended minimum amount is \$25 per 3-week session per counselor. Tips can be either handed to the staff member directly or taken to the office and left in an envelope to be delivered later by the Head Counselor. For parents who would like to tip by check please make the check out to Camp Pillsbury.

Sending Mail or Packages to Camp

When sending mail or packages to camp, please address them as follows:
Camp Pillsbury
(Attn: (Campers Name))
315 S. Grove Avenue
Owatonna, MN 55060

Please be aware that all packages will be opened by the Camp Supervisor prior to delivering the packages to the campers.

Camp Office Hours

The camp office is open every day from 9:00am to 9:00pm CST. If you need to reach us, please call the camp office at 507-214-2200.

Camp Rules

Although we have a flexible program, we have a daily structure which provides constant supervision of all campers. There are six periods each day and all campers must go to all six periods. Remaining in the dorm during activity time is not an option. All campers must be present at activities, meals, evening activity, rest hour, etc. Our rules have been formulated for the safety and general welfare of the entire camp community. They are common sense rules and are enforced consistently. Camp rules will be discussed with campers during orientation. Campers are not allowed in the dorms unsupervised. Campers should take all belongings needed for the activity day with them to breakfast. This includes bathing suits, towels that may be needed for waterfront. Please send a backpack with your camper. Belongings can be stored in the Dining Hall and there is a bathroom available for changing.

Do not send your child to camp with dangerous items such as fishing knives, pocketknives, fireworks, lighters, etc. We would appreciate you checking your child's luggage before they leave the house. Camp Pillsbury reserves the right to check rooms and backpacks if there is any indication of

Do not send your child to camp with valuable items such as expensive jewelry or designer clothing. Electronic items such as cell phones, lap tops, ipads, may be brought to camp; however the camp is not responsible for loss or damage to any such items. Communication devices will not be allowed during activity hours, during meals or during evening activities.

Smoking, or in possession of, or in the presence of, or use of tobacco and/or any other intoxicants or non-prescription drug is expressly forbidden and will result in immediate dismissal from camp. The camp also reserves the right to dismiss any camper whose conduct is unsatisfactory or detrimental to the camp's best interests. In any such event, there will be no refund of any part of the camp fee. It goes without saying that possession and/or use of weapons (guns, knives of any kind including pocket knives), matches, lighters, fireworks, and any other incendiaries, unless part of a program and supervised by a counselor, cannot be tolerated on campus. All malicious damage to our property, building or equipment will be charged back to the camper or campers involved. If we are unable to determine the individual responsible for the damages we will share the expense with all campers involved. Campers are not allowed to have personal animals on site. Campers are prohibited from driving any vehicle with the exception of go-karts during scheduled, supervised activity time.

Camp Pillsbury is committed to creating a safe environment for all campers, staff, volunteers, and visitors. For this reason, there may be times when a search of a campers' living space or possessions may be warranted. Should a staff member have reason to suspect, or have knowledge of, contraband or potentially harmful material, they will present his or her concerns to the acting director, who will decide whether a search should be made. When a search is undertaken, at least one senior staff member and one other staff member must be present. When appropriate, an effort is made to include the camper whose living space or possessions are being searched. A search of camper's possessions, when warranted, may include such items as backpacks, suitcases, duffel bags,

Camp Pillsbury

-14-

315 South Grove Avenue Owatonna MN 55060
507-214-2200 info@CampPillsbury.com

CampPillsbury.com

footlockers, and electronic devices. If a weapon or controlled drug is located during a search, or discovered in any other fashion on camp property, the director may be required to notify the police. Possession of contraband or potentially harmful material may also result in disciplinary consequences, up to and including dismissal.

PACKING LIST

Please pack enough clothing for your child's stay with us and for your child's individual interests and needs. Please bring enough clothing to accommodate the number of days they will be at camp.

This is only a **suggested** packing list. Adjustments should be made to provide for your child's individual interests and needs.

1. We recommend that delicate clothing not be brought to camp.
2. Please use this checklist so that your child is completely outfitted for camp.
3. You may wish to send a list of items packed to camp with your child. He or she can use it as a checklist when packing to return home.
4. Luggage is transported to camp with your camper.
5. Campers driving to camp must provide their own blankets, pillows and linens.
6. Campers flying to camp will be provided with bedding and linens.
7. Please do not bring dangerous items to camp.
8. Inappropriate logos or sayings on clothing is not permitted.
9. All clothing must be non-revealing and modest.
10. Shoes must be on campers feet at all times. Please be sure to send your camper with different types of shoes for all activities, i.e. tennis shoes (sneakers), flip flops, water shoes, etc.
11. Campers wishing to participate in skating should bring their own skates.

SUGGESTED LIST OF CLOTHES AND ITEMS

CLOTHING

- ❑ LEGGINGS FOR BOYS AND GIRLS FOR CIRCUS: Please provide at least one pair of black leggings for boys and girls who might be participating in trapeze or circus arts. These will be worn during performance day for uniformity of our performers)
- ❑ BODY SUITS FOR GIRLS FOR CIRCUS: T-shirts tend to rise while performing, especially when upside down. Body suits or fitted tank tops will eliminate any uncomfortable clothing mishaps.
- ❑ BASE COSTUME: Bring one all black outfit, or leotard
- ❑ NICE OUTFIT: Bring one nice outfit for performances, shows or off-campus trips
- ❑ APPROPRIATE SHOES: Make sure to pack character or jazz shoes for dancers, or plain black shoes for a base costume for many performance areas.
- ❑ SNEAKERS, FLIP FLOPS & WATER SHOES: Sneakers are great for sports and running, flip flops are easy to wear to and from showers, and water shoes will be helpful when campers are participating in outdoor water fun such as water balloons or slip and slides. (To prevent any injuries, campers and staff are required to have shoes on their feet AT ALL TIMES).

- SOCKS
- UNDERWEAR
- T-SHIRTS/TOPS
